3 November 2005

Dear Phil

On behalf of Starlight Children's Foundation, I would like to thank you for your generous support of the 2005 Starlight Tasting Australia Chefs Dinner. We were touched by the generosity of the community in South Australia and thank you personally for your support by kindly donating Scallops for Gabriel Gate.

The dinner at the Playford Radisson was excellent. With over 250 guests enjoying an exquisite seven courses, with food and wine from some of Australia's best Chefs and first class entertainment from Bernadette Robinson and Paul Nooman. Our auction prizes were hotly contested, thanks to the attractive variety of interesting items, the hi-tech HP iPAQ, and our generous patrons.

We raised close to \$140,000 on the night, which is an incredible result and will go towards basing two permanent Captain Starlight's in South Australia, to have a permanent Starlight Express Van for regional visits, to grant wishes to seriously ill children in South Australia, and place even more Fun Centers throughout local hospitals. It is your generosity that has made this possible.

Over the next 12 months we expect around 600,000 children to be hospitalised across Australia. Currently Starlight's programs reach around 200,000 of these seriously ill and hospitalised children. Your support of the Starlight Tasting Australia Chefs Dinner will help us reach many more in South Australia.

Once again, on behalf of the Starlight Children's Foundation, I would like to thank you for your generosity and support and invite your involvement in Adelaide's premier wine and food event again in 2006.

Yours sincerely,

Jill Weekes, CEO, Starlight
